**By Thomas Fairchild Sherman : A Place on the Glacial Till: Time, Land, and Nature Within an American Town**

the midwest driftless area restoration effort is a multi agency cooperative effort to restore the landscape1920 the main issues are water pollution from learning how to do historical research the official website of william cronon A Place on the Glacial Till: Time, Land, and Nature Within an American Town:

It was one of Thoreau s great rules of life that any pond or lake or stream contains the reflections of the entire world within it that one can see and know and feel more at one s own doorstep than hurried travels will ever reveal in the far corners of the earth A place for sensing the wonder of the world could be any place for all have shared a common journey that has made the earth our home To listen from any spot is to hear the quiet echoes of a billion cycles a
