2 of 2 review helpful Just as expected By Deluz The street guide arrived in the allotted time and it was as I expected good Had the identical guide when it first came out but over the years it became torn and frayed through heavy usage So I knew what I was getting and it is serving me well on my job that requires a lot of short trips in the Cleveland area I would love that Rand McNally would come up with an updated This Street Guide to Cleveland Ohio takes navigation to the next level Rand McNally Street Guides build on The Thomas Guide™ tradition that customers have come to trust and rely on Sales people delivery drivers dispatchers and other residents are turning to Rand McNally to cross town more quickly Features include regular updates to ensure that new streets and points of interest are included four color maps for easy viewing
