**By Rand McNally : Easy To Fold: Delaware, Maryland (Easyfinder S)** Easy To Fold: Delaware, Maryland (Easyfinder S):

1 of 1 review helpful Good map not terribly detailed though By C Morris The folding edges of this map were cleverly designed The whole map is laminated and at the points where the map folds there s a break in the map so only the clear plastic lamination folds I thought it was kind of weird at first to have breaks in the map like that but then I realized that this way would keep roads towns on the creases from becoming The durable and convenient Delaware and Maryland EasyToFold state map will take all the wear and tear your journey can dish out The heavy duty laminated design allows you to mark your route make notes then wipe the surface clean for further use This is a must have for navigation whether you re a state resident or just passing through Easy to fold means no fumbling Heavy duty lamination allows you to write on wipe off Durable and tear resistant F
