1 of 1 review helpful A must read for any Beatles fan whether a Clevelander or not By Chris from Cleveland I was amazed at Schwensen s book on the Beatles concerts held in Cleveland in 1964 1966 If you ve ever wondered what going to one of the Beatles concerts was like look no further This outstanding book takes you on a wild ride getting the Beatles into Cleveland through endless reporters strategic accommodations Beatlemania swept across North America when John Lennon Paul McCartney George Harrison and Ringo Starr appeared on The Ed Sullivan Show in February 1964 The decade of the 1960s seemed to change overnight from black and white to color as a generation fell under the influence of the group s music style and personalities Hot on the success of their film A Hard Day s Night the Beatles 1964 summer tour filled auditoriums with screams of delight and excitement and If you d like to experience what it was like to participate in a Beatles concert we can t recommend The Beatles In Cleveland strongly enough Bob Malik host of the nationally syndicated radio show The Beatle Years This book is a must read
