1 of 1 review helpful Highly Misleading Advertising By Mary Emerson Smith This is not a guide and a journal It is a

journal with empty pages only The description is HIGHLY misleading should not allow this product to be sold with this description This is a quirky city notebook designed to inspire listmakers to create their own city guide and city biography in list form and journal the heck out of their time in the city It s a do it all yourself notebook for independent travelers and thinkers Cincinnati is a fantastic city So why not CREATE YOUR OWN city guide and keep a travel journal to help make your time there unforgettable fun and organized mdash Cormac Younghusband
