0 of 2 review helpful Just whetting my appetite By Wildheartmuse I was hoping to find a Trail Blazer guide to the Cleveland Way as I used one for my Coast2Coast walk last June But there wasn't one available so I bought this one It seems informative and easy to read but time will tell if it is easy to follow when on the trail next June The Cleveland Way is the 108 mile National Trail that skirts the edge of the North York Moors National Park Following Natural England's acorn waymarks the route stretches from Helmsley and the White Horse in the west across the Moors to the dramatic coastline from Saltburn to Filey offering panoramic views of the countryside and coast This is the complete official guide About the Author
