perthshire Cleveland Way (Rucksack Readers):

The Cleveland Way is one of England's oldest and best loved National Trails. It runs for 110 miles (177 km) around the North York Moors National Park starting inland at Helmsley offering panoramic views over the vales of York and Mowbray and from the Cleveland Hills. After reaching the coast at Saltburn it heads south along the dramatic sea cliffs with their tales of shipwrecks and smugglers to end at Filey. The route features prehistoric burial mounds, ancient castles, Roman remains and more recent traces of industrial history. The route is easily accessible.
